## Fair Trade Tuck Boxes

We are offering you the opportunity to have access to delicious Fairtrade snacks at your place of work with very little effort on your part.

Paisley became a Fairtrade Town in 2003 and in 2009 Renfrewshire became a Fairtrade Zone. The aim is now to get Fairtrade Nation status for Scotland and Renfrewshire is leading the way. By accepting a Fairtrade snack box you will be not only able to enjoy the snacks at any time throughout the day but also be participating in a wider movement for change by creating a Fairtrade workplace.

How it works:

- We deliver a snack box to you
- At a time interval discussed with you we will swap it for a new full box and bill you for the items used
- Over time we will be able to adapt the contents of the box to match the most popular sellers
- If at any time you want to have the box removed we will uplift it
- You are only liable for any items sold from the box
